PRODUCT DATA SHEET

Desk High Cupboards

CODE: ST076

Maximise your workspace storage with our Desk High Cupboard – a practical solution designed to seamlessly extend your work surface while providing a secure and easily accessible storage area. Constructed from durable 18mm materials, this unit features a fixed internal shelf for organised storage and adjustable feet to ensure stability on uneven floors. Fully lockable for added security, it's ideal for keeping documents, stationery or personal items safe and close at hand. Perfect for offices, home workspaces or educational settings, the Desk High Cupboard offers both functionality and a tidy, professional finish.
