

PRODUCT DATA SHEET

Versi 2 Lever Mesh Operator Chair

CODE: CH0002

Enhance comfort and productivity with the Versi 2 Lever Mesh Operator Chair. Designed for everyday use, it combines a deep cushioned seat upholstered in hard-wearing fabric with a breathable mesh backrest to provide lasting comfort and support throughout the working day. Featuring an adjustable seat height and a backrest that can be locked in position or set to free-float, this versatile chair allows you to find your ideal seating position. The five-star swivel base with castors ensures easy movement, while the two-lever mechanism provides convenient control over seat height and tilt adjustments. For added flexibility, fixed or adjustable armrests are available as an optional extra. Ideal for offices, home workspaces and professional environments, the Versi 2 Lever Mesh Operator Chair delivers practical functionality, everyday comfort and a versatile seating solution.
