GREENWAY 'RECYCLED' PICNIC BENCH

The Greenway picnic bench is made from recycled material and is highly durable and hard wearing so is popular in pub and hotel gardens as well as shared work and learning spaces. Manufactured in an attractive dark oak this bench is low maintenance and can be wiped clean. The rounded edges ensure comfort and safety and it can be floor fixed for extra stability. The product is also fully recyclable making it environmentally friendly.

FEATURES

- Made from recycled materials
- Suitable for up to eight people
- 50cm dia parasol hole

EKO PLANTERS

NEW

This stylish planter is manufactured from EKO wood and is fully lined and ready for planting. EKO looks exactly like wood but is made from recyclable material making it extremely durable. It requires no maintenance throughout its life making it the ideal addition to any indoor or outdoor venue.

FEATURES

- Made from recycled durable materials
- Durable and stable
- Looks like wood
- Will not fade in UV light
- Available in two heights – high and low
- Choice of colour – black, aged oak and whitewash oak

DELIVERY OPTIONS

- In stock product
- Next day delivery available

EKO COMPLETE TABLES

A stylish table for any outdoor eating area, suitable for pub and bar outdoor dining spaces and gardens. Made from the highest quality recycled materials EKO looks just like wood but is durable and will not fade.

The contemporary black frame is modern and sleek making these complete tables a favourite choice for a wide range of venues with heavy commercial use. Perfectly suited to hospitality canteen and breakout areas and shared living and learning spaces.

COLLECTION FEATURES

- **FINISH** - Eko top with black powder coated frame
- **COLOURS** - Available in three colours
- **PRODUCT RANGE** - Square or rectangular tops, dining or poseur heights
- **IDEALLY SUITED TO** - Outdoor and indoor venues including hospitality, workspace and education
