PRODUCT DATA SHEET

Connex Double Back to Back Desks

CODE: CO2816

Four straight 800mm deep desks in a double back-to-back bench desk configuration. . Legs are shared between desk clusters with two recessed centre leg supports to save space and costs.

As bench solutions are becoming more popular and mainstream in open plan offices, the Connex range has been developed in response to modern office design and is a more cost effective alternative to the popular Adapt II benching solution. Through its twin fixed beam steel frame construction, Connex is robust enough to cope with the rigours of a busy office and is an ideal modular system for high density office spaces.

FEATURES & SPECIFICATIONS

- 25mm desktops available in beech, maple, oak, walnut and white
- Extended rectangular steel framework in silver or white for enhanced strength and stability
- Four straight 1200x800mm desks in a double back-to-back bench desk configuration
- Horizontal & vertical cable management allows cables to rise from the floor via cable risers/trays
- Legs are shared between desk clusters with a recessed centre leg support to save space and costs
- Quick assembly modular bench desk system for high density office spaces
