PRODUCT DATA SHEET

Economy Wall Racks

CODE: EWCA0

Our Economy Wall Racks are a versatile and efficient plan filing solution designed to organise and store A0 or A1 planholders (hangers). Offering ease of use and durability, our wall racks are ideal for professionals in architecture, engineering, and designers who need a reliable system to manage their planholders and drawings. Featuring a capacity of 10 hangers ensuring the integrity and longevity of your stored drawings. A sturdy design and coated in a durable black epoxy finish, these economy wall racks are built to last, providing both strength and aesthetic appeal.

FEATURES & SPECIFICATIONS

- Robust all-steel construction with durable black epoxy paint
- 3 standard sizes: A0, A1 & A2 (clamp on short edge)
- Simple self-assembly with tools included

Width	Depth	Height	Capacity
980mm	270mm	N/A	10 planholders

Finish: metal/epoxy coating
Warranty: 1yr
Code: EWCA0 - A0 Size
