## PRODUCT DATA SHEET

### Economy Drawing Hanger

CODE: EA0

Our Economy Drawing Hangers are a versatile and efficient plan filing solution designed to organise and store A0 & A1 format drawings. Offering ease of use and durability, our drawing hangers are ideal for professionals in architecture, engineering, and designers who need a reliable system to manage their plans and drawings. Featuring continuous grip technology along its entire length ensuring the integrity and longevity of your drawings. A sturdy design and coated in a durable ivory epoxy finish, these drawing hangers are built to last, providing both strength and aesthetic appeal.

## FEATURES & SPECIFICATIONS

- Planholders are suspended at both ends
- Ergonomic spring steel clips take seconds to open & close regardless of number of drawings
- Robust construction with durable ivory epoxy coating
- Standard sizes: A0
- Maximum capacity 50-100 sheets
- Standard pack size: 8 planholders

Clamp Length	Capacity
850mm	50-100 sheets

Finish: metal/epoxy coating  
Warranty: 1yr  
Code: EA0
