Enhance your home office with the Tikal Workstation, a refined mid-century modern centrepiece designed for both style and performance. Sleek black hairpin legs bring a bold architectural touch, while the triple slimline rod construction offers exceptional stability without sacrificing elegance. Each leg is thoughtfully angled at the corners of the desktop, creating a visually striking silhouette that feels both timeless and contemporary. Upgrade your workspace with the perfect blend of craftsmanship, character, and functionality—experience refined simplicity with the Tikal Workstation.
