## PRODUCT DATA SHEET

### Amethyst Box Reception Furniture

CODE: BRS3

Our Amethyst Box Reception seating range comes in individual segments, which allows numerous configurations to suit every work space.

Our Amethyst Box Reception seating range is the perfect solution for any reception or breakout area. The modular individual segments allows for an extensive variety of seating combinations. The units are available as a single seat without arms, a seat with either a left or right hand arm, a corner unit, concave and convex segments, a table with a glass or wooden top. A single armchair, 2-seater and 3-seater sofas are also available. Incorporate your company colour scheme by choosing from a large number of fabric or vinyl upholstery options.
