PRODUCT DATA SHEET

Calypso Ergonomic Office Chair

CODE: CH2810+AC1002

The Calypso Ergo 2 Lever Office Chair with Lumbar Pump and Folding Arms is designed to deliver long-lasting comfort and ergonomic support across any workspace. Its clever design includes permanent contact back mechanism to encourage healthy posture and continuous back support. The curved foam high backrest provides full upper body support and can be adjusted in both height and tilt for a personalised fit. With features like an inflatable lumbar pump and folding arms, the Calypso Ergo adapts to your needs—whether you're at a desk, in a meeting room, or working from home.

FEATURES & SPECIFICATIONS

- Curved foam back offers full contact and comfort for up to 8 hours and by users up to 115 kg
- Inflatable lumbar pump to support the lower back
- PCB (permanent contact back) mechanism which provides support whichever way the user moves
- A range of arms are available - fixed, height adjustable and folding
- Available in black, charcoal, claret and royal blue
