PRODUCT DATA SHEET

Drywipe Noticeboards

CODE: DWB1812

Our Drywipe Noticeboards are highly versatile and designed to meet your display and presentation needs. With its durable aluminium frame and smooth surface allowing for easy writing and smear free erasing, ensure your messages and notes are always clear and legible. With the option for magnetic or non-magnetic and the ability to be hung either horizontally (landscape) or vertically (portrait), they provide flexibility in positioning according to your preferences. Whether in a classroom, office, or home setting, this whiteboard is a reliable tool for communication and collaboration.

FEATURES & SPECIFICATIONS

- Four concealed corner fittings
- Aluminium frame
- smooth surface
