Mid-Back Leather-Look Managers Chair

CODE: AC121

Upgrade your workspace with this stylish Mid-back leather-look managers chair, designed to deliver reliable comfort throughout the working day. The generously cushioned seat and supportive backrest help promote good posture, while padded armrests provide additional comfort during longer periods at your desk. Upholstered in sleek black faux leather, the chair offers a professional, modern appearance that complements both contemporary and traditional office environments.

A simple height adjustment lever allows you to quickly find your ideal seating position, while the sturdy five-star base with smooth-rolling castors ensures easy movement around your workspace. Durable, practical and easy to maintain, this chair is an excellent choice for home offices, study areas and commercial workplaces looking for dependable everyday seating.
