EKO 8 Seater Round Picnic Table

Enjoy the classic picnic bench look without the maintenance of traditional timber furniture. Made from recycled plastic diverted from landfill the EKO A-Frame Picnic Table is stronger than natural wood, weather-resistant, and built for year-round outdoor use. Complete with a central parasol hole, it's a durable and sustainable solution for commercial spaces.

The EKO 8-Seater Round Picnic Table combines traditional styling with modern durability. Manufactured from recycled plastic diverted from landfill, it offers the appearance of wood without the need for sanding, staining, or rot treatments. Strong, weather proof, and complete with a central parasol hole, it's ideal for busy outdoor environments.
