PRODUCT DATA SHEET

Dual Motor Electric Sit-Stand Desk

CODE: EDF16/SLV/BEE

The Dual Motor Electric Sit-Stand Desk is a high-quality standing desk offering various features to enhance your work experience. The desk frame is constructed with heavy-duty steel, making it sturdy and durable, and it can support up to 125 kg.

One of the most notable features of the EDF12D Electric Sit-Stand Desk is its dual motors, which allow you to adjust the desk height from 620 to 1280 mm in just a few seconds. The desk has a touch-sensitive controller that lets you set 3 height presets, a sit-stand alert timer, and adjust the anti-collision sensitivity and display unit.

FEATURES & SPECIFICATIONS

- Wood finishes - Maple, Beech, Oak, Walnut, White
- Frame finishes - Black, Silver, White
- Advanced touch-sensitive controller with 3 favourite positions
- Anti-collision sensitivity, display unit (cm or in), and sit-stand alert timer
- Dual electric motors
- Two cable access ports included
- 25mm top
