PRODUCT DATA SHEET

Lean Stool

CODE: CH1258

The Lean Stool offers a unique solution for those searching for alternate seating options, particularly those using Sit-Stand desks. The design of the stool promotes good posture and core control, making it an excellent choice for ergonomic comfort. The stool also features an easy-to-use gas height adjustment, allowing you to adjust the height to your preferred working level. Whether you're looking to switch up your seating arrangements or improve your posture and comfort, the Lean Stool is an excellent choice.

FEATURES & SPECIFICATIONS

- Encourages good posture plus activates your core while you sit
- Simple gas height adjustment with the handle under the seat
- Set on a sturdy rectangular base with anti-slip technology
