PRODUCT DATA SHEET

Cyrus Armchair with Beech Wooden Legs

CODE: CY1

The Cyrus Seating Range blends comfort and sophistication, making it a perfect addition to any meeting space or breakout area. With its inviting tub-style seat, this chair features a generously cushioned seat, padded back, and integrated arms to support long meetings or informal discussions. You can tailor the Cyrus to suit your interior style with a choice of high-quality fabric finishes and two distinctive base options and available as stool. Opt for the classic warmth of a four-legged wooden base—available in natural or black—or go for a more modern look with the sleek metal pyramid base, offered in black or polished aluminium. Whether your workspace leans traditional or contemporary, the Cyrus adapts effortlessly while delivering comfort and durability.
