Heavy Duty Seating

Mesh Back Seating: Stay cool and supported with breathable mesh backs that offer ergonomic comfort and modern style. A smart solution for any contemporary office.

Gaming Chairs: Style meets performance with our gaming chairs - built for comfort, endurance, and serious multitasking. A perfect fit for gamers and modern home offices.

Operators Chairs: Reliable, practical, and built for daily use - our operator chairs offer all-day comfort with adjustable features to suit every user.

Ergonomic Seating: Support your team's health and productivity with chairs designed to reduce strain and improve posture. Ideal for long hours and dynamic workspaces.

Managers Chairs: Ideal for both modern and traditional workspaces, offering a professional appearance without compromising on support or style. Perfect for senior staff or client-facing spaces.

Heavy Duty Seating: Built to endure, our heavy-duty chairs are engineered for maximum strength and lasting support. Perfect for high-demand environments, they deliver exceptional durability without sacrificing comfort or style.

Our Services: All chairs are assembled free of charge and placed where required at time of delivery.

Prices are subject to VAT. Please note all orders may be subject to a delivery charge.
