## PRODUCT DATA SHEET

### Industrial Polyurethane Draughtsman Chair

CODE: LAB-D

Our Industrial Polyurethane Draughtsman's Chair on Glides is an ideal solution for anyone looking for a reliable and comfortable seated stool. This hard-wearing stool is built to last, with a wipe clean polyurethane seat and back that can withstand even the toughest environments. A versatile stool designed for classrooms, science labs, factories, and workshops that provide a supportive back rest and foot-ring which ensures maximum comfort during long hours of study or work.
