## PRODUCT DATA SHEET

### Cantilever Ergonomic Workstation

CODE: URAD

Our Cantilever Ergonomic Workstation, also known as a radial desk, is part of our entry-level furniture range. Specifically crafted with an ergonomic focus, aiming to enhance comfort and efficiency. A notable advantage of this workstation is its adaptability to suit individual preferences, with options available in both Left-hand and Right-hand configurations. The 18mm top, ensures sturdiness and durability for individuals seeking a functional and ergonomically designed workspace that enhances productivity while maintaining an appealing aesthetic.

## FEATURES & SPECIFICATIONS

- Cable access ports included
- Upright silver cantilever legs
- 18mm top

LH = Left Hand

RH = Right Hand
