## PRODUCT DATA SHEET

### Sitall Deluxe Stool

CODE: KCUP1552

The Sitall Deluxe Stool is a truly innovative piece of seating furniture. Its distinctive tri-cornered seat and extra-long reach gas lift, activated by one of three hidden buttons, make it versatile and unique. The self-stabilizing elastomer sole provides grip and stability, inspired by the shape of a stingray. This modern stool features a high-density seat cushion, ergonomic gas lift height adjustment, and a self-stabilizing weighted base, making it both stylish and comfortable.

## FEATURES & SPECIFICATIONS

- High density seat cushion
- Unique saddle seat design
- Balance spherical base
- Self stabilising weighted base
