PRODUCT DATA SHEET

Fleck Office Chair

CODE: CH1665

Designed for those who appreciate modern simplicity and lasting comfort, the Fleck Executive Office Chair combines minimalist styling with everyday practicality. Its sleek metal arms feature plush padded supports, providing both elegance and ergonomic comfort throughout the working day. The Fleck's clean, contemporary design makes it a versatile addition to any executive or home office, complementing a wide range of interiors. Built on a robust KD five-star metal base, it offers excellent stability and durability, ensuring dependable performance and a premium feel. A perfect balance of form and function, the Fleck delivers executive-level comfort with refined, modern style.
