PRODUCT DATA SHEET

Kneeling Task Operator Stool

CODE: OP000072

The Kneeling Task Operator Stool is a versatile and practical piece of furniture suitable for a variety of users, such as office users, home users, writers, illustrators, and anyone else who spends long hours sitting at a desk. The stool is designed to provide maximum comfort and support, with cushioned kneeling and seat pads that help reduce pressure on the knees and back. Its comfortable cushions, easy height adjustment, and durable frame offer a practical and affordable solution for anyone who spends long hours sitting at a desk.

FEATURES & SPECIFICATIONS

- Cushioned kneeling and seat pad for maximum comfort
- Easy height adjustment through the gas lift lever
- Durable robust frame
