PRODUCT DATA SHEET

Madrid Beech Frame Meeting Chair

CODE: BR000086

The Madrid Beech Frame Meeting Chair combines a sturdy beech wood frame, generous seat proportions, and a fully upholstered back to provide a comfortable and stylish seating solution. With options for arms and a choice of fabric colours, it can be customised to suit your required preferences and needs. Its stackable design makes it a practical choice for efficient space saving. The Madrid chair is an ideal seating solution for various functions and meeting areas.

FEATURES & SPECIFICATIONS

- Only Stackable up to 4 high on the no arm variant
- Generous seat and backrest padding
- Fixed arms or no arms
