## PRODUCT DATA SHEET

### Carbon Office Chair

CODE: CH1730

The Carbon Office Chair combines smart functionality with modern design, perfect for dynamic workspaces. Its breathable mesh back promotes airflow to keep you cool throughout the day, while the low-back design offers lightweight support without compromising on comfort. The chair features folding arms, ideal for sliding it neatly under a desk or adapting to your preferred working style. The lock-tilt mechanism with torsion control allows you to sit at a fixed tilt angle or enjoy a free-floating recline, tailored to your posture. Supported by a durable 5-star swivel base with castors and height adjustment, the Carbon Office Chair is built for flexibility, movement, and daily use. Ideal for home offices or modern professional settings.
