PRODUCT DATA SHEET

Connex Single Desk

CODE: CO148

Single straight desks 800mm deep with two cable access ports. Rectangular steel framework in silver or white with excellent strength and stability.

As bench solutions are becoming more popular and mainstream in open plan offices, the Connex range has been developed in response to modern office design and is a more cost effective alternative to the popular Adapt II benching solution. Through its twin fixed beam steel frame construction, Connex is robust enough to cope with the rigours of a busy office and is an ideal modular system for high density office spaces.

FEATURES & SPECIFICATIONS

- 25mm desktops available in beech, maple, oak, walnut and white
- Horizontal & vertical cable management allows cables to rise from the floor via cable risers/trays
- Legs are shared between desk clusters with a recessed centre leg support to save space and costs
- Quick assembly modular bench desk system for high density office spaces
- Rectangular steel framework in silver or white with excellent strength and stability
- Single straight desks 800mm deep with two cable access ports
