PRODUCT DATA SHEET

Folding Frame Exam Table

CODE: EXF2-F

Maximise space and efficiency with our 'X' Frame Folding Exam Table – the ideal solution for exam halls, training rooms, or temporary setups. Designed with a compact, narrow profile, this table allows for high-density storage, making it perfect for use with our table trolley system.

The sturdy folding frame features a smooth sliding mechanism, ensuring quick, effortless setup and pack-down. Built for durability and ease of use, this exam table combines practicality with a space-saving design to help streamline any event or learning environment.

FEATURES & SPECIFICATIONS

- Plywood tops available on request
