## PRODUCT DATA SHEET

### Sora Height Adjustable Sit Stand Workstation for Desks

CODE: SHAW-K

Convert an existing desk to a standing desk with our desk converter which offers an easy transition from a comfortable sitting position to a standing one. The monitor riser allows simple and smooth adjustments thanks to the gas spring lift which allows for any height setting within the range, and the separate keyboard and mouse deck adjusts to elevate the screen – keeping it at eye level, with a groove design that is also suitable for laptops.

## FEATURES & SPECIFICATIONS

- Allows the user to sit, stand, and incorporate movement into the working day
- Height range of 120mm to 505mm with a large work surface and keyboard tray size
- Keyboard tray size of 880mm x 308mm
- Smooth, easy height adjustment with a load capacity of 15kg
- Turns a regular desk into a standing desk without having to replace the current one
- Work surface size of 880mm x 415mm
