PRODUCT DATA SHEET

Chrome Cantilever Mesh Back Visitor Chair

CODE: MB031

The Chrome Cantilever Mesh Back Visitor Chair is a stylish and functional seating option, ideal for meetings, conferences, and waiting areas. The mesh back allows air to circulate freely, preventing heat build-up and keeping the user cool and comfortable. With a cantilever design that offers a unique floating effect, making the chair visually striking, but also ensures comfort during extended periods of sitting. Its elegant and modern design makes it a perfect fit for professional settings, creating a positive impression on clients and visitors.
