PRODUCT DATA SHEET

Dorsum - Executive Ergonomic Mesh Chair

CODE: Mesh (DORSUM)

Designed for superior comfort, support and long-lasting performance, this Dorsum - Executive Ergonomic Mesh Chair combines a stylish executive design with a range of adjustable ergonomic features. Finished in sleek black full diamond mesh, it provides excellent breathability and is suitable for demanding office environments, including 24-hour use. The chair features an adjustable lumbar support system to help provide excellent lower-back support, while the height-adjustable backrest with five separate positions allows you to find a comfortable seating position tailored to your needs. An extra-large executive headrest provides additional support for the head and neck, making this chair ideal for extended periods of use. For personalised comfort, the chair includes adjustable tension control and a dual-pivot mechanism, allowing you to adjust the reclining action to suit your preferred working position. The multi-functional 3D adjustable arms can be positioned to provide enhanced support for your arms and shoulders. Please view our FEATURES and DOWNLOADS section for further information. Weight tolerance 149kg | 24hr Usage | 2yr Guarantee
