PRODUCT DATA SHEET

Retreat 3.0 Plus Acoustic Pod

CODE: RETREAT3

Create a private, comfortable and versatile space for collaboration, meetings and relaxation with the Retreat 3.0 Plus Acoustic Pod. Designed to comfortably accommodate up to five people, this spacious acoustic pod provides a quieter environment within busy office, commercial and shared spaces. With its combination of high acoustic performance, integrated technology and intelligent ventilation, the Retreat 3.0 Plus is ideal for team meetings, brainstorming sessions, informal discussions, entertainment or simply taking a moment away from the main workspace. An integrated HEPA air purification system helps maintain fresh air inside the pod, while motion sensors automatically activate the LED lighting and air ventilation when the pod is occupied. For added convenience, the Retreat 3.0 Plus can be configured with an exclusive L-shaped sofa, a meeting table with integrated CE-certified charging ports, or as a bare unit, allowing it to be tailored to different workplace requirements. The integrated charging ports include an AC outlet and Type A & Type C USB ports, making it easy to keep devices powered during meetings & work sessions.
