Pivot Cupboard Desk - Sonoma Oak

CODE: 7700007

The Pivot Office Cupboard Desk is a fantastic and modern style option, a perfect pick for the home office, under the stairs or anywhere where space is of a premium! It not only has a spacious working area, it has two storage drawers for additional storage and a sliding door which conceals an additional storage area. The desk can be assembled to have a left or right hand return and it can fold away when not in use, ideal for versatile placement within your work area. The Pivot Cupboard desk is beautifully finished in Sonoma Oak Effect with white accents, making it a perfect match for all rooms and office colour schemes.
