PRODUCT DATA SHEET

Connex Double Cable Tray

CODE: COU14DCT

Shared cable tray which sits central to two back-to-back desks. Cables can run between two trays for effective cable management. In Silver or White.

Horizontal and vertical cable management allows cables to rise from the floor via single leg and mass cable risers, to improve office aesthetics and safety.

FEATURES & SPECIFICATIONS

- Cables can run between two trays for effective cable management and preventing cluttered wires
- Positioned under the desk so cables are out of the way but easily accessible
- Quick assembly modular bench desk system for high density office spaces
- Shared cable tray which sits central to two back-to-back desks
