PRODUCT DATA SHEET

Economy Mobile Trolley

Hangers NOT included

CODE: EMA0B

Our Economy Mobile Trolleys are a versatile and efficient plan filing solution designed to organise and store A0 or A1 planholders (hangers). Offering ease of use and durability, our mobile trolleys are ideal for professionals in architecture, engineering, and designers who need a reliable and mobile system to manage their planholders and drawings. Featuring a capacity of 24 hangers ensuring the integrity and longevity of your stored drawings. A sturdy design and coated in a durable black epoxy finish, these economy mobile trolleys are built to last, providing both strength, mobility, and aesthetic appeal.

FEATURES & SPECIFICATIONS

- Robust all-steel construction with durable black epoxy paint.
- 3 standard sizes: A0, A1 & A2 (clamp on short edge)
- Mounted on castors to allow simple movement around the office, brakes keep it in place

Width	Depth	Height	Size	Capacity
990mm	600mm	1400mm	A0	24 Planholder

Finish: metal/epoxy coating

Warranty: 1yr

Code: EMA0B - Empty - (to fit EA0 - A0 Size Hangers)
