## PRODUCT DATA SHEET

### Zure High Back White Shell Mesh Executive Office Chair

CODE: KC0162

The Zure Mesh Ergonomic Chair delivers premium comfort, full adjustability, and contemporary style — perfect for users who demand performance throughout the workday. Built with a breathable mesh seat and back, it promotes airflow and long-lasting support, while the robust aluminium and plastic frame ensures durability with a weight capacity of up to 135kg. Enjoy a fully personalised sitting experience with a gas height adjustment, synchronised tilt mechanism, adjustable tilt tension, height-adjustable backrest, and integrated adjustable lumbar support. Height-adjustable arms with pivot functionality allow tailored upper-body comfort, and an optional height-adjustable headrest adds enhanced neck support. Choose from 20 bespoke fabric colourways, including sustainable options made from ocean-reclaimed plastic, to perfectly match your workspace aesthetic. With a 5-year mechanical guarantee and 2-year fabric and foam guarantee, Zure is engineered for long-term ergonomic performance.

## FEATURES & SPECIFICATIONS

- Gas height adjustment, ensuring ergonomic comfort
- Synchronised tilt mechanism, allowing the backrest and seat to move together in harmony
- Height adjustable backrest, designed to provide tailored lumbar support
