PRODUCT DATA SHEET

GRISEO Mesh Back Operator Chair

CODE: GRISEO

The GRISEO Mesh Back Operator Chair combines modern design with ergonomic support, making it ideal for busy office environments and home workspaces. Finished in a sleek grey, it features a breathable mesh back paired with a UK FR fabric seat for all-day comfort. The optional integrated headrest enhances upper body support, while adjustable lumbar support promotes healthy posture throughout the working day.

A butterfly mechanism with tilt function and tension control allows you to customise your seating position, complemented by a Class 3 gas lift for smooth height adjustment. Height-adjustable arms and a sturdy 640mm nylon base provide added flexibility and stability. Designed for practicality and style, this chair delivers reliable performance in any workspace.
