

Universal Office Solutions

your complete office solution...

iBench

design ► supply ► deliver ► install

■ INTRODUCTION

iBench, Imperial's premium bench product offers total functionality. With a choice of 3 leg designs, fixed or sliding tops, 600mm and 800mm depths and 3 trim finishes, iBench is ideally suited for the modern day office.

At Imperial we pride ourselves in manufacturing quality office furniture.

IBENCH

The hoop leg design offers a stylish alternative to the contemporary goal post leg. Available in a choice of 3 trim colours, the hoop leg is a popular choice for the modern day office.

Mocha desktops with a white under frame is a new, modern combination to add a fresh appearance to your office colour scheme.

iBench is available with sliding or fixed desk tops. A choice of cable ports or desktop scoop allows for various cable routing to suit all requirements..

The Style seating collection has a broad selection of task and operator chairs to perfectly complement your iBench solution.

The classic iBench goal post leg continues to provide the minimalistic bench look throughout the range. Adding variation with unique iBench storage creates a positive office environment.

iBench storage is manufactured with 25mm sides and allows for inset fascias and doors. This offers an optional alternative to standard storage products.

The 'A' frame leg offers an angular alternative to the goal post and hoop leg options. Add black trim creates a more prominent aesthetic appeal.

Individual desks are also available in 3 leg options. Choose between rectangular, single wave, double wave or a radial workstation. Cable trays and modesty panels can be added as an optional extra.

The introduction of iBench boardroom tables in each of the 3 leg designs provide a consistent theme throughout the office layout.

Third level storage can be fixed to the leg frame providing additional personal storage.

Mass cable risers can be fixed to the shared intermediate leg to conceal cabling. iBench frames are available with fixed and sliding desktops. Sliding tops with desktop scoops allow easy access to a shared cable tray.

IBENCH STORAGE

iBench low to high storage
(available as 2062mm, 1657mm, 1252mm, 847mm & 725mm high)
