## PRODUCT DATA SHEET

### Titan One Piece Chair

CODE: T6

The Titan One Piece chair is built for the toughest classroom environments. It is ultra-strong, tamper proof, has anti-tilt legs and its one piece design ensures there are no pinch points or sharp edges to cause injuries.

It was the world's first one piece polypropylene chair to obtain BS EN 1729 parts 1 & 2 certification for strength, stability and ergonomics for educational furniture. It is available in 6 sizes to support the postural and comfort needs of various age groups. The Titan One Piece chair is available in a variety of colours and can be stacked up to 15 high making it a versatile piece of furniture, ideal for use throughout your school.
