## PRODUCT DATA SHEET

### Altino Mesh Back Operator Chair

CODE: AH11-OSO

The Altino Mesh Back Operator Chair brings a fresh, modern look to any office or meeting space. Designed with both comfort and functionality in mind, it features a sculpted, moulded foam seat paired with a slimline mesh or fabric back to enhance breathability and support throughout the day. Its ergonomic design and adjustable settings make it ideal for long hours at the desk, promoting better posture and productivity.

## FEATURES & SPECIFICATIONS

- Ergonomic mesh back task chair with upholstered seat
- Permanent Contact Back (PCB) for adjustable or free-floating back tilt
- Available in black and blue as standard, with custom fabric and colour options on request
- Breathable, posture-curved mesh back with a distinctive contemporary design
- Gas lift seat height adjustment with back rake and back height control
- CMHR high-resilience foam for superior comfort and durability
