PRODUCT DATA SHEET

Connex add on Units (Single)

CODE: CO148-AB

Single straight desk add-on unit 800mm deep, supplied with a recessed centre leg. Recessed leg is positioned in the centre of the bench desks.

As bench solutions are becoming more popular and mainstream in open plan offices, the Connex range has been developed in response to modern office design and is a more cost effective alternative to the popular Adapt II benching solution.

Through its twin fixed beam steel frame construction, Connex is robust enough to cope with the rigours of a busy office and is an ideal modular system for high density office spaces.

FEATURES & SPECIFICATIONS

- 25mm desktops available in beech, maple, oak, walnut and white with cable access ports
- Horizontal & vertical cable management allows cables to rise from the floor via mass cable risers
- Quick assembly modular bench desk system for high density office spaces
- Silver or white rectangular steel leg frames for enhanced strength and stability
- Silver or white rectangular steel leg frames for enhanced strength and stability
- Single straight desk add-on unit 800mm deep, supplied with a recessed centre leg
